We are looking forward to being a part of the program in September.

Our Vietnamese Committee has agreed to provide the manpower and equipment for our display.

We will require a grassy field where we can place stakes in the ground as anchors and an area of about twenty feet wide by fifty feet long.

The committee will set up a "monkey bridge" and will staff it, assisting children and others in crossing over the bridge. (This is a rope bridge that is erected between log uprights).

A table with two chairs will help with our display of other materials and information about the local Scouting program.

The point of contact is Long Tran: LongTran@cavix.org, (408) 253-2062.

Thank you.
